

Web sites - Where to find support and resources

Key Club members have the best skills in the world to support initiatives, educate their communities about social issues, and motivate their peers to raise funds for any cause. The best way to continue the work you do is to partner with and utilize organizations and agencies that are skilled in their areas of expertise. Many organizations and agencies in your community have projects or programs ready for you to step in and volunteer.

Many after-school programs, from the parks and recreation departments to Boys & Girls Clubs, support our Live to Learn service initiative. Don't always reinvent the wheel; utilize international and local organizations and agencies to support our service initiative.

Growing Together Web sites

LIVE 2 LEARN

Giving back Web sites

Learning to Give

<http://www.learningtogive.org/>

Teaching the importance of voluntary action for the common good in a democratic society. Learning to Give offers lesson plans, activities, and resources to educate youth about the power of philanthropy (sharing time, talent and treasure). Empower young people to make a difference in their school, their community and their world!

Learning to Give online games

<http://www.learningtogive.org/students/>

Giving & Me. Play fun activities with Ant Phil as you learn about philanthropy. Created specifically for early elementary students.

Giving Game. How great would it be if our acts of kindness inspired others? A simple good deed is contagious and goes on to have a life of its own with the Giving Game.

The Foundation Center: Youth in Philanthropy

<http://youth.fdncenter.org/index.html>

Some people think philanthropy is just about foundations giving away lots of money, but that's only one part of the picture. Philanthropy is really about people giving their time, care and help to causes that interest them. This site connects young people to philanthropy projects in need. Also visit Youth Philanthropy Chat where other youth are sharing their philanthropic experiences.
